Scheduled MUT Championship Races for 2019. The MUT Championship 30k and 50k will be held on October 5, 2019 at Lake Conestee Park in Greenville, SC as part of the Get Out Greenville Festival. The race director is Steve Baker and registration is on www.ultrasignup.com. We are still in need of officials for the course which is a 10k loop with aid every 5k.

Committee Program Goals:

The goal is to continue our two state championship races with possibility of adding a regional championship at this event or add a third MUT championship in the either Midlands or Coastal area.

Project/Program Expenses:

The USATF-SC MUT Championships will be held in conjunction with an established event. Costs to the Association will be for USATF Sanction Fees, Officials Stipends and Awards. We are using Association Championship medals/awards from the USATF-SC stock purchased in previous years and have ordered specific MUT SC Association Championship stickers for the backs of the medals.
