Committee Program Activities/Events/Projects:

National 1-Hour Racewalk

The USATF National 1-Hour Racewalk was held at Furman University on October 26, 2018. There were forty entrants from all over the US. The overall male winner was Ray Sharp from Michigan, the overall female winner was Jesi Heiser-Whatley from South Carolina, and ninety year old Jack Star from Pennsylvania set new age group World and National records. The event also included the SE Region, SC, GA & NC 1-Hour Championships. SE Region Team medals were also awarded for Association, Junior, Open and Masters Teams.

USATF-SC 3000m/5000m Track Championships

The South Carolina Racewalk Track Championships was held in conjunction with the CIU Ram Classic Track Meet at Columbia International University in Columbia, SC on March 23, 2019. Twelve athletes competed and three college athletes qualified for their Conference Championships.

Mt Pleasant Developmental Meet & Racewalk Clinic

May 19, 2019 at Peyton Johnson More Track, Mt Pleasant. Twelve youth athletes participated in the race and six in the clinic. One Official received Racewalk Judges Training. *Thanks to Mt Pleasant TC for their support and cooperation.*

Committee Program Goals:

To promote involvement in Racewalk throughout all age groups in South Carolina and to help provide training and experience to Racewalk Officials.

Project/Program Expenses:

The National 1-Hour broke even and the Track Championships costs about \$300.

The SE Region/SC 1-Hour will be held in December this year and we are looking at partnering again with CIU to host the track Racewalk in the spring.
