

2020 USATF South Carolina Cross Country Championships

USATF South Carolina (USATFSC) would like to formally invite you to submit a proposal to host the 2020 USATF South Carolina Association Youth JO, Open & Masters Cross Country Championships. The included events are:

§ 2020 USATFSC Association Open & Masters Cross Country Championships
Saturday, November 07, 2020

§ 2020 USATFSC Association Junior Olympic Cross Country Championships
Saturday, November 07, 2020

*Please note these events are both held on the same day. The single Open & Masters event (a 5k) precedes the JO events and has nominal impact. Collectively these events are singularly referred to as the **2020 USATFSC Association Cross Country Championships**.*

The RFP (Request for Proposal) documents, including a proposal submission form, are available on the USATFSC website at: <http://usatfsc.org>. The documents are included in a RFP package (zip file): ASC1120.

All proposals are due via email no later than 5pm, Monday, October 28, 2019. Proposals should be emailed to:

youth@southcarolina.usatf.org

NOTE: Please note you are submitting by October 28, 2019, a proposal to host the 2020 USATF South Carolina Association Cross Country Championships (not the 2019 Championships).

Thank you.
