2020-2021 Project/Programs and Expenses:

Propose 12 Level I and 6 Level 2 Scholarships for 2020-21 Fiscal Year

With option for board to increase that number if enough qualified candidates apply and funds are available. Note for the rest of 2020 Level 1 and 2 will be online so no travel expenses are needed for either for foreseeable future. Note there will be multiple online Level 1 dates announced for fall and winter shortly. I believe Winter online Level 2's will occur.

Selection committee would be myself (Andrew Allden) and Ian Whatley.

An application can be made available once scholarships approved by board. Scholarships will be awarded based on candidates' experience, and impact on the sport in SC (emphasis on individual actively coaching). Diversity of candidates and their coaching constituency (youth, masters etc.) may be considered.

Level 1 Cost $\$210 \times 12 = \2520

Level 2 Cost $\$520 \times 6 = \3120

Coaches Education Scholarships Total = $\$5640$
