Committee Program Activities/Events/Projects:

In October 2019, we held the MUT state championship for 30k and 50k as part of the Urban Ultra at the Get Out Greenville event at Lake Conestee Nature Center. This year due to COVID-19 concerns the event (to which we had added a 10k as well) has been cancelled by the venue.

Our goal is to continue with this event as the MUT Championships in 2021.

Committee Program Goals:

Our goals for the MUT events is to : 1. hold the event with the same Race Director and at the same location in 2021; 2. To consider adding prize money of \$50 for top overall SC USATF male and female and Masters Male and Female finishers for the 30k and 50k events

Project/Program Expenses:

Since I believe we have enough carryover medals, the expense for the race prizes would be \$200 each for a total of \$400 in addition to the standard sanctioning prizes for all three events that we've covered previously. I'm not sure what those will be in 2021.
