| Racewalk | 155 | ** |
| Coaches: | 185 | 17 |
| Officials: | 113 | 54 |
| Parents & Other members: | 183 | ** |

* Represents a 56% decrease over last year. Membership is driven annually by athletes obtaining or renewing memberships to participate in USATF and USATF-SC championship events, most notably the Junior Olympics. COVID-19 caused most USATF and USATF-SC championship events to be canceled, meaning athletes did not renew memberships. Coach and Official memberships are down for similar reasons.

- Youth Members are generally athletes who obtain 1-yr memberships to compete in USATF-SC athletic events.

- Open/Masters Members include athletes, coaches, officials and others who tend to renew early or purchase multi-year.

**This information detail is not yet available on the new USATFConnect system
