Candidate for Treasurer

To Whom it may concern:

My name is Ronald B. Geohaghan, Sr, and I would like to run for the position of Treasurer for the upcoming term for the South Carolina USATF Track and Field Association. I have a Master's in Professional Counseling and a BA in Marketing/General Business. I am currently retired after thirty years of working in the State of South Carolina School System. To obtain this position that will allow me to take full advantage of my past experience in the area of finance, coaching, and counseling, as well as offer me the opportunity for increasing levels of responsibility and professional growth in the field of human services.

My past experience as the College Work Study Coordinator allowed me to be responsible for payroll for over one hundred student workers monthly each semester. In this position I had to coordinate the work-study placement for students who apply and qualify for it. Process all paper work once received from the students. Review the Confidentiality Statement and Federal Work Study Contract with student before completing the E-Verification process of employment. Make sure the student set up their banking information for Direct Deposit with the Human Resources Office. Summit all time sheets and payroll voucher to the Business Office at the end of the month for processing.

As the Director of Counseling/Financial Aid Counselor I was responsible for all the students at the college that fell under the alphabet (F to J). I worked closely with parents and students to outline a plan for paying for school, including personal finances, student loans, government grants and private scholarships. Assist parents and students in navigating the financial aid process, helping to fill out the correct forms, providing the needed documents and apprising them of any changes to existing resources. In addition to finding financial aid resources, counselors inform students on loan repayment procedures and may even help students develop a budget to keep student debt to a minimum. Assist students in accessing a broad range of resources for funding college and are kept informed on changes or availability of financial aid, both in the public and private sector. Maintain compliance with the Department of Education, the National Association of Student Financial Aid Administrators (NASFAA) and the U.S. Department of Education and Federal Student Aid programs. Make financial adjustment for student that withdraw from any class.
